

Be a Post-Secondary Educator

“As educators we have the potential to **gift all children** with cultural and language pride by showing the **traditional footsteps** that reflect our heritages.”

Dr. Laara Fitznor

CREE/GERMAN/SCOTS | PROFESSOR,
FACULTY OF EDUCATION UNIVERSITY OF MANITOBA

“To make a difference consider becoming an educator, you will make a great teacher.”

Dr. Mary Young | Anishinaabe Kwe,
Director of Aboriginal Student Services
University of Winnipeg

“Students should consider a career in education in order to extend the rafters of learning in the Longhouse of Knowledge.”

Dr. Brian Rice | Mohawk/Finnish,
Professor, Faculty of Education
University of Winnipeg

“Education is a way to change a child’s life; whether you teach the child or the parent you will have an impact.”

Marti Ford | Inuit,
Dean, School of Indigenous Education
Red River College
