Your Career/Life Planning

What do you love to learn about?

What excites and challenges you?

Who do you want to be?

What skills do you have?

What skills do you need?

What kind of life do you dream about?

Grades 9 to 12 career development life/work courses, experiential career education credits and the community service credit can help you move toward the life you want to live. Begin your journey today, knowing that career education is more than “just a course.”
